SPIRIT DELIVERY PLANNING:

The delivery plan of project deliverables is a strategic element for every Project Manager. The goal of every project is, in fact, to produce a result that serves a specific purpose. With the word purpose, we can mean the most disparate goals: a software program, a chair, a building, a translation, etc....

In Project Spirit, Delivery Planning is one of the processes of Completing the project and Show Casing the Time Line of the Project Planning. This Delivery plan help to understand the process and Work Flow of the Project working by the Team Mates.

Every Single Module is assigned to the teammates to showcase their work and contribution to developing the Project.
